

Hostinger / VPS Deploy

EMS pack v0.1.6 · Agent 1.1.5 · branch desktop+agent · docs 2026-09-20

Production <https://ems.cfsdesigners.com> — never wipe ems.db.

Deploy order

```
cd /opt/ems-src
git fetch && git checkout desktop+agent && git pull
cd apps/web && npm ci && npm run build && cp -r dist/* /var/www/ems/
# upload Manager Setup + Agent zip → /var/www/ems/downloads/
systemctl restart ems-api
```

- Bump LATEST_MANAGER_VERSION / LATEST_AGENT_VERSION to 0.1.6 / 1.1.5 before ship.
- Confirm Downloads page as Admin; employee must not see nav link.
- Smoke: staff My Projects has no Advance pending badge.

Rollback without data loss

```
git checkout PREVIOUS_GOOD && rebuild web && restart ems-api
# Keep ems.db + screenshots untouched
```
